Warranty

AVK INTERNATIONAL A/S' products are guaranteed against product and material defects for a period of 10 years from the date of dispatch from our factory. This warranty shall only be valid if the product is installed correctly in accordance with AVK INTERNATIONAL A/S' installation instructions and accepted codes of good practice.

Further, the warranty shall be invalidated if, at any time, the product is used for an application which has not been recommended by AVK INTERNATIONAL A/S, as if it has been subject to incorrect maintenance or mishandling.

Any products which have been supplied, but not manufactured by AVK INTERNATIONAL A/S shall be subject to the warranty terms of the manufacturer.

Under the normal warranty procedure the distributor will repair the product within normal working hours. The components will be replaced free of charge. All parts or products repaired will be delivered ex works.

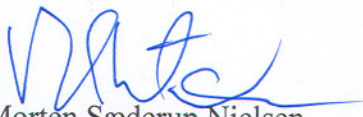

During the warranty period, the repair may also be carried out in approved local workshops at the expense of AVK INTERNATIONAL A/S, when a written approval has been obtained from AVK INTERNATIONAL A/S or through the local distributor.

AVK INTERNATIONAL A/S shall under no circumstances accept claims for third party liability or damage caused by the failure of any of the company's products.

AVK INTERNATIONAL A/S shall accept no liability for product failure caused by abnormal operational conditions, war, violence, storm, cataclysm, or other cases of force majeure.

The decision of AVK INTERNATIONAL A/S in relation to any claims or disputes over the warranty is final.
